

Admissions Policy

The school's current admission arrangements adhere to the published criteria contained in the EAST RIDING OF YORKSHIRE SCHOOL "A Guide for Parents". There are 420 places in the school.

Children are admitted in the term in which their fifth birthday occurs. From September 2011 children will be offered the opportunity to be admitted at the start of the school year in which their fifth birthday occurs. All applications for places will be granted up to the admission limit set for each year group. Should demand exceed the places the following factors will generally be taken into account in priority order when deciding which pupils will be allocated places:

- parental preference forms;
- being resident in the catchment area by the published closing date in the year prior to admission or urgent medical factors or other exceptional family circumstances, Parents taking up residence after this date will have their application carefully considered by the Area Review Panel. Urgent medical needs should be supported by a Doctor's certificate at least indicating how the urgent medical condition relates to the school preference;
- having brothers or sisters who will be already attending the school at the expected time of admission;
- those living nearest to the school via the shortest available safe route for pedestrians.
- A statement of Special Educational Need may dictate a particular school.

The arrangements and fair and correct application of the criteria for admission for all year groups is managed by the East Riding of Yorkshire LA. The same authority will manage the Appeals Process. For further information telephone (01482) 887700 and request 'School Admissions'

For the year 2008/09 there were 74 applications for admission to the Foundation Year (Reception Class), 62 of whom were accepted. The admission limit is 60.

*Please note Admission Policies are subject to alteration due to new legislation and legal precedent.
